EDUCATION

Guilin University of Electronic Technology	09/2020-2024/07
B. S. in Engineering, Major in Measurement and Control Technology and Instrument	Rank 2/178
Northeastern University	09/2024-Present
M. S. in Engineering, Major in Biomedical Engineering	

PUBLICATION

HEAL: Learning-Free Source Free Unsupervised Domain Adaptation for Cross-Modality Medical Image Segmentation	
The 36th British Machine Vision Conference, Accepted, First author.	
A3-DualUD: Source-Free Unsupervised Domain Adaptation via Anatomical Anchor Alignment and Dual-path Uncertainty Denoising for Cross-modality Medical Image Segmentation	
Computer Methods and Programs in Biomedicine, Published, First author.	
Source-free Unsupervised Domain Adaptation with Channel-Masked Feature Refinement and Memory Augmented Prototype Contrast for Cross-modality Medical Image Segmentation	
Engineering Applications of Artificial Intelligence, Under Review, First author.	
Adapting Without Data: A Survey of Source-Free Unsupervised Domain Adaptation in Medical Imaging	
Artificial Intelligence In Medicine, With Editor, First author.	
MSSC: Multi-View Synergistic Semantic Consistency for Source-Free Unsupervised Domain Adaptation in Cross-Modality Medical Image Segmentation	
IEEE Transactions on Medical Imaging, Under Review, Second author.	

RESEARCH EXPERIENCE

Design of Huanglong Disease Detection System for Quadrotor UAV based on SLAM Assisted Positioning	2022/04-2024/04
National College Students' Innovation Training Project, Project leader	
Multimodal Cardiac Image Analysis and Landmark Localization	2024/08-Present
Cooperative Project of the First Affiliated Hospital of China Medical University	

SCHOLARSHIP AND AWARD

National Scholarship	2025/10
National Encouragement Scholarship	2022/11
Guangxi Autonomous Region Government Scholarship	2021/11
First Prize Scholarship of Guilin University of Electronic Technology	2023/11
First Prize Scholarship of Northeastern University	2024/12
First Prize of the 10th National Biomedical Engineering Innovation Design Competition for College Students	2025/07
First Prize of the Guangxi Translation Competition	2022/05
Excellence Award of the National Lanqiao Cup Program Design Competition	2021/05
Second Prize of the Guangxi Undergraduate Electronic Design Competition	2021/08

LEADERSHIP EXPERIENCE AND VOLUNTEERING

Assistant Head Teacher	2022/07-2024/07
Detail: Automation Class 5, Grade 2022, Guilin University of Electronic Technology	
Vice Chairman, Embedded Systems and Smart Car Innovation Base	2023/07-2024/07
Detail: School of Electronic Engineering and Automation, Guilin University of Electronic Technology	

SKILLS

Routine Maintenance and Management of Laboratory Servers and NAS Devices	
4-layer PCB Design and Basic Debugging	
Basic 3D Modeling and 3D Printing
